PRELIMINARY AMENDMENT

Assistant Commissioner For Patents  
Washington, D.C. 20231

Dear Sir:

In the above-identified patent application, please make the following preliminary amendment:

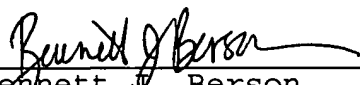

In the Specification:

Please replace the sequence listing at pages 34-36 of the application as filed with the substitute sequence listing filed on date even herewith.

REMARKS

The applicant respectfully requests entry of the substitute sequence listing in order to bring the application into full compliance with the sequence rules of 37 C.F.R. §§1.821-1.825.

Respectfully submitted,
